Tiara:

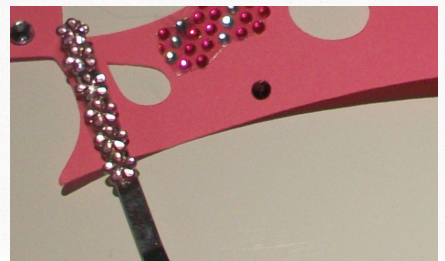

1.) Using my GYPSY, I welded together a tiara shape w/ hearts using the Tie the Knot cartridge.

2.) Then I cut the shape out of pink paper.

3.) I added Imaginisce hot rocks using the irock.

4.) I glued on barnettes to attach to the hair.

Prince Crown:

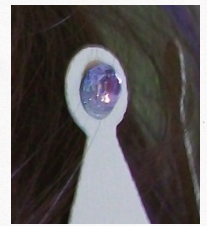

1.) I used my GYPSY to weld together several of the same shaped crowns from the once upon a princess cartridge.

2.) I cut it onto yellow paper using my Cricut

3.) I glued grey paper behind to show through the yellow

4.) I added a hot rock using my Imaginise irock.

5.) I glued an ochre yellow ribbon onto each side so the crown could be tied around a head!
