

Gingerbread Book

Supplies:

Your Story Photo Machine
Cricut
Gingerbread Cartridge
Your Story Paper Album Cover
Chipboard
White cardstock
White text weight paper
Candy Stickers
Tacky Glue

Directions:

1. Ready your Cricut with the Gingerbread Cartridge.
2. Select the Gingerbread house shadow and cut it twice at 6 1/2 inches out of chipboard.
3. Cut the piping out of white card stock at 6 inches.
4. Glue white frosting piping in cardsotck on top of the cover with tacky glue.
5. Grab a Your Story Paper Album Cover and cut it down to 3 inches
6. Cut 20 Gingerbread house shapes out of white text weight paper on the Cricut with the Gingerbread Cartridge set the house shadow shape to 5 1/2 inches. Hit repeat last and cut each time until you have 20 sheets.
7. Tuck the sheets down inside the Your Story book cover that you've alread cut to size.
8. Heat the Your Story Photo Machine and glue in the pages. Allow to set up and cool completely before touching.

9. Once the bound spine has cooled it is time to attach the front and back covers.
10. Cover the album cover with brown paper, packing tape.
- 11.. Put tacky glue all over the cut down album cover.

12. Attach the front cover and push down, ensuring the glue fully attaches.
13. Repeat this for the back cover.
14. Using stickers, decorate the front and the back of the book.

Now your book is ready to write a story in, do drawings in or tape in photographs of your gingerbread house making party. Enjoy!
