

# Refreshed purse holder

## STEPS

BUY A LESS THEN Fabulous purse holder from a store on sale or at A thrift store.

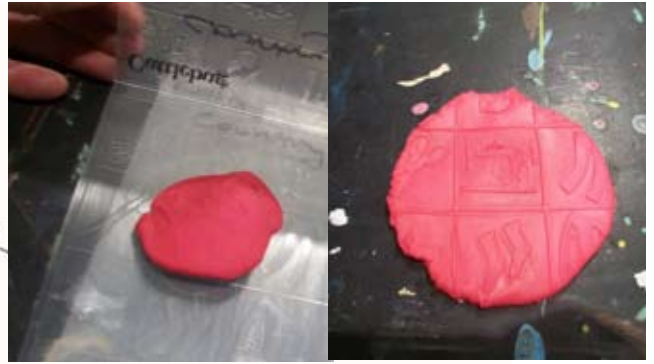

1.) Using a hammer I broke out the unattractive and cheap gem stone

2. Ready Hot pink sculpey in your hands and roll into a ball.

3.) Push ball into the Cuttlebug Country Life embossing folder to flatten.

4.) Place top piece of purse holder on top of Sculpey to use as a template.

5.) Cut around it with a craft knife.

6.) Bake Sculpey according to manf. directions.

7.) once cooled, place onto purse holder top and glue down using e-6000.

Throw into purse and you are ready for a night out!
