

FLASH DRIVE Filled w/ music
MP3'S in a gift container
How To:

STEPS

1.) Fill a flash drive with music
MP3'S

2.) Emboss a piece
of blue card stock
using the cuttlebug
and the country
life embossing folder.

3.) Cut guitars out
of brown cardstock
on the Cricut using
the Indie Art Cartridge.
³/₂ Glue to the embossed
blue paper.

4.) Again using the Cricut and the Indie Art Cartridge cut, out of brown cardstock, a cassette tape.

5.) Glue it down to a piece of blue card stock

6.) punch a hole in the upper corner, pull a blue ribbon through. Tie to a Flash Drive.

7.) Using a Mini (3in high) plastic "paint can" from the Craft Store cut a piece of the embossed blue card stock to fit the lid. mine was created w/ a 3in punch and then glued to the lid.

8.) Roll the strip of blue embossed paper, with guitars attached to fit down inside the "paint can"

9.) Stick the flash drive and "cassette" card into the paint can, place lid on and gift it!
